AVATION PLC
(“AVAP” or “the Company”)

PRICING OF 7.5% GUARANTEED NOTES 2020

Avation PLC (AVAP: LSE), the commercial passenger aircraft leasing company announces today the successful pricing and full subscription of its offering of US \$100,000,000 aggregate principal amount of its 7.5% guaranteed notes due 2020 (the "Notes"). The Notes are being issued at an issue price of 99% under the Company's previously announced US\$500,000,000 medium term note program.

The Notes will be issued by Avation Capital S.A., a wholly owned subsidiary of the Company, and be guaranteed by AVAP. The gross proceeds from this tranche of Notes are USD \$99,000,000. Closing and funding are expected to take place on or about 27 May 2015, subject to customary conditions precedent for similar transactions. The Company intends to use the proceeds of the offering to finance and refinance the group's acquisition of commercial passenger aircraft.

Jeff Chatfield, Executive Chairman, said: "These Notes form a part of the strategy to create an optimal capital structure for funding the growth of the Company. The Company has previously announced the purchase of twelve new modern commercial aircraft, a mixture of Airbus A321 and ATR72 types. When combined with appropriate amounts of asset backed senior bank debt, the deployment of the proceeds of these Notes allow the Company to strive to maximise its return on equity for its shareholders."
