AIRBUS A321 AIRCRAFT DELIVERED TO VIETJET

Avation PLC (LSE: AVAP), the commercial passenger aircraft leasing company announces the successful purchase and the completion of delivery of a factory-new Airbus A321-200 aircraft (the "Airbus") to Vietjet Air, the leading domestic and international new-age carrier of Vietnam. This aircraft is an additional new aircraft delivery in a series of aircraft direct from the Airbus production facility in Hamburg, Germany.

The Airbus is equipped with CFM International CFM56-5B3/3 engines and seating for 230 passengers, the highest seat density of an Airbus A321-200. It will be employed by Vietjet on its expanding route network of domestic and international destinations from multiple bases in Vietnam. The aircraft is serial number 7427 and was delivered on schedule. The long term operating lease terms are typical for an aircraft of this type.
